

January 19, 2016

Commissioners,

This memo and the attached documents provide information for our items at the joint Santa Barbara and Montecito Planning Commission meeting on Thursday, January 21, 2016.

The intent of the team's presentation is to provide your commissions the latest updates and information on the 101HOV and Olive Mill Intersection Improvement projects. Our presentation is informational and no action is being requested at this time. What we hope to achieve at the meeting, and throughout the development of these projects, is transparent communication of the process, project status, and decision points along the way.

This item will be a joint presentation with members from the City, County, SBCAG, and Caltrans. We plan to give an update on current progress of the 101HOV project, followed by a status report on improvements to the Olive Mill@ North Jameson/Coast Village/US101 intersection improvements. Included in these presentations will be discussion of the process for these projects and a discussion of the next steps.

Our planned items include a short presentation on:

101HOV

- 101 HOV Background and Delivering 101 in 4 Phases
- 101 HOV Implementation
 - o Corridor Advisor
 - o Beginning detailed design
 - o Work with agencies on parallel projects
- Status of 101 HOV/ Delivering 101 HOV
- Next Steps

Olive Mill Roundabout

- Progress report on work to date and presentation of a potential roundabout concept
- Discussion of the design process – milestones, schedule, funding
- Discussion of the relationship between Olive Mill, 101HOV, and San Ysidro work and next steps

Following the presentation, we will be available for questions or feedback you have on these and related topics.

Thank you,
Chris Sneddon
